Greetings from the East

I hope everyone had a Merry Christmas and a Happy New Year.

In December, we lost two brothers, Karl Hofacker and Stewart Trulock. Our thoughts and prayers go out to their families.

Our January stated meeting went well. I feel our officers are eager to get started on degree work.

I would like to welcome our new Secretary, Ed Snyder, who I feel will do an excellent job for our Lodge.

I would like to thank Jack Glass, outgoing Secretary, for his years of dedicated service and support and to also thank him for accepting the Treasurer's position.

In addition, I would also like to thank Dave Roose PM for delivering poinsettia plants to our widows during the Christmas holidays. They enjoy their flowers every year and greatly appreciated Dave's efforts.

A committee is being formed to investigate a new candidate in February. There is also the possibility that we will have some dual members to help Highland Lodge with future degrees.

2011 has started out in a positive manner and my sincere wishes are that things continue in this direction throughout the year.

It would be great to see members who have been unable to attend meetings in the past, be able to do so this year.
